OSSOL

where lubrication meets Innovation

TRACTOR MASTER

Grades	SKUs Available
20W40	20Ltr / 10Ltr / 8.5Ltr / 7.5Ltr / 1Ltr
15W40	20Ltr / 10Ltr / 8.5Ltr / 7.5Ltr / 1Ltr

Product Description

OSSOL TRACTOR MASTER is a multigrade Diesel Engine oil recommended for use in new generation Turbo charged diesel engines formulated from specifically selected base oil and high performance additives. It provide drain interval upto 500 Hrs.

TRACTOR MASTER has excellent wear control, shows good thermal & oxidation stability at high temperatures and minimises the build-up sludge. It has been formulated for unique friction and load carrying properties.

Recommended for Mahindra, Escorts, Tafe, Sonalika, New Holland, Eicher, HMT, Hindustan, Farmtrac, Swaraj & Masse Ferguson confirms to requirement of API CF-4 & U.S Military specification MIL-L-2104E

SURAKSHIT

Grades	SKUs Available
15W40	7.5Ltr / 1Ltr

Product Description

OSSOL SURAKSHIT is new generation engine oil for turbocharged diesel engines in tractors. It is designed with selected multi-functional additives to help engine perform it's best under various operating conditions. It provide drain interval upto 600 Hrs.

SURAKSHIT has superior Oxidation stability which controls sludge build-up & deposits and keeps your engine clean. It has Excellent corrosion inhibition properties which shows excellent Anti-Corrosive properties.

Recommended for Mahindra, Escorts, Tafe, Sonalika, New Holland, Eicher, HMT, Hindustan, Farmtrac, Swaraj & Masse Ferguson confirms to requirement of API CF-4 & U.S Military specification MIL-L-2104E and Heavy-Duty diesel engines used in mining, agriculture, construction & other On & Off highway, light and heavy duty applications.

AHD PRO CONTROL X

Grades	SKUs Available
20W40	8.5Ltr / 6.5Ltr

Product Description

OSSOL AHD PRO CONTROL-X is new generation engine oil for turbocharged diesel engines in tractors. It is designed with selected multi-functional additives to help engine perform it's best under various operating conditions. It provide drain interval of 600+ Hrs.

AHD PRO CONTROL-X has minimum oil consumption with superior Oxidation stability which controls sludge build-up & deposits and keeps your engine clean. It has Excellent corrosion inhibition properties which shows excellent Anti-Corrosive properties with Low Volatility.

Recommended for Mahindra, Escorts, Tafe, Sonalika, New Holland, Eicher, HMT, Hindustan, Farmtrac, Swaraj & Masse Ferguson confirms to requirement of API CF-4 & U.S Military specification MIL-L-2104E and Heavy-Duty diesel engines used in mining, agriculture, construction & other On & Off highway, light and heavy duty applications.

AGRI POWER WET BRAKE

Grades

UTTO

SKUs Available

26Ltr / 20Ltr / 5Ltr / 1Ltr

Product Description

OSSOL AGRI POWER WET BRAKE is a premium quality multipurpose universal tractor transmission oil which is blended from high quality hydro-cracked base oils. The product is doped with tailor made additives specifically used for wet brake, hydraulic, clutch & transmission system.

AGRI POWER WET BRAKE has high oxidation stability, excellent thermal stability, optimised clutch performance, good seal compatibility, high protection against rust and corrosion & enhanced load carrying capabilities.

Multipurpose power/ Transmission oil recommended for use in Transmission, Hydraulic & Wet Brake systems of Tractors & Construction machinery. Recommended for Tractors of Mahindra & Mahindra, Eicher, TAFE, SAME, Swaraj, Fiat having wet brakes. Meets John Deere J20C, J20D, Ford New Holland M2C 134D, Massey Ferguson M1110, 1127(A&B), Landini, Allison C-4 & C-3, Caterpillar TO-2 Specifications.

KISSAN SHAKTI (PSO)

Grades

20W40

SKUs Available

3.5Ltr

Product Description

OSSOL KISSAN SHAKTI PSO is heavy duty Pump Set Oil manufactured from highly refined base oil stocks with special additives to provide longer oil life and equipment life. It is designed for both compression-ignition and spark-ignition type engines..

KISSAN SHAKTI PSO protects engine from wear & tear, provide high level of engine cleanliness, Give easy engine start even at lower ambient temperatures & provide longer Equipment and oil life with improved fuel efficiency.

Recommended for all types of Pump-Sets & suitable for other Farm & Agricultural Equipments.
